Roca's Remedy for Pulmonary and Tubercular Consumption HAVING been appointed sole Agent for the sale of Don GERONINO ROCA'S celebrated CURE FOR CONSUMPTION, the public will now be put in possession of one of the most extraordinary remedies extant for what has heretofore been considered an incurable

I have the more readily undertaken the agency, from the fact of its extreme simplicity—being an outward application, the action of which is seemingly mi raculous, and its having none of those attributes which make up the numerous compounds now in general With the utmost confidence in the success of this remedy, which has heretofore been used in private remedy, which has beretofore been used in private practice with great success, as is shown by numerous letters and certificates, is now offered to the public.

A pamphlet, containing directions, letters from distinguished individuals, and documentary evidences from the physicians of the hospital of Havana, Island of Cuba, &c., will accompany the remedy.

These speak volumes in its praise, and publicity is only required to render it as popular as it is benefical. Address,

MR. J. F. Cowan:—Dear sir:—I bereby certify that in the summer of the year 1853, a servant of mine, a boy about 19 years of age, who had always before this time been stout and of a rigorous constitution, was attacked with gravel. A Physician was called who attended on him for several months, during which time he grew worse daily, until he was helpless, and I believe would have died in a few days had it not been for a friend, who advised the use of Cowan's Lathontriptic. When I was con-band I took about two wine classes full of the same medicine, which gave me an easier deliv-ery by a great deal than I ever had before. Nor is this all, have seen it tried in one case, and heard from a respectable source in another case, that your Lithon-triptic was tried in, and the Midwife with others in at Lean's Volcanic Oil Liniment.

Thomas Ford, a blacksmith, living near Cassavenue in Teath street, had a horrible running sore on his cost. He tried various Liniments, Salves, &c., but could do it no good.
